Indiantown Officials Seeks Public Input to Plan and Design Future Village Hall

Indiantown, FL – Village of Indiantown officials seek public input to assist in the planning and design of its future Village Hall located between Warfield Blvd and Osceola Street and between Trail and Seminole drives.

The survey provides a series of photos that portray different aspects of public buildings and the related indoor and outdoor spaces. Photos are exhibited to provide the public with opportunities to help design the new Village Hall.

Indiantown is a rural community in Florida's Treasure Coast. First established in the early 1900s, then incorporated on December 31, 2017, Florida's youngest municipality hosts a diverse population of roughly 6,000 residents. While it may be small, its resident engagement is exemplary and its potential for community building and new business opportunity is large. The Village mission seeks to enable economic prosperity and business while building pride and cohesion through hands-on self-governance. www.indiantownfl.gov
