## **VILLAGE OF INDIANTOWN MOVES INTO NEW VILLAGE HALL**

*Relocated from shared Martin County Offices on Thursday, September 24*

**Indiantown, FL** – The Village of Indiantown has moved into a new, more spacious Village Hall at 15516 SW Osceola Street. The move away from the shared Martin County Indiantown Branch Office, located at 16550 SW Warfield Boulevard, was completed this morning. The new office is being leased from Indiantown Non-Profit Housing Inc. and is located between SE Adams Avenue and SW Madison Avenue, one block south of the Indiantown Civic Center.

“The Village would like to collectively thank Martin County for providing us a space to evolve and grow over these past two years.” said Village Manager Howard W. Brown Jr. “In order to continue growing, and to provide the level of service our residents expect, we need additional space and are pleased to announce our new partnership.”

The new Village Hall has three suite entrances for Utilities, Administration and the new Village Council Chambers. The first suite will house the Utilities Department when the Village completes its takeover of the Indiantown Company Incorporated water and wastewater company. The center suite houses administrative offices, including the Village Council, Village Manager, Village Clerk, Planning, Community and Economic Development and Building & Permits Departments. The third entrance will lead to the new Village Council Chambers. The Parks & Recreation Department and Code Enforcement Offices will remain at Booker Park where they moved this summer.

##

*Indiantown is a rural community in Florida’s Treasure Coast. First established in the early 1900s, then incorporated on December 31, 2017, Florida’s youngest municipality hosts a diverse population of roughly 6,000 residents. While it may be small, its resident engagement is exemplary and its potential for community building and new business opportunity is large. The Village mission seeks to enable economic prosperity and business while building pride and cohesion through hands-on self-governance.*
