Water & Wastewater Utilities

Public Works

On Friday, November 17, 2023, staff and contractors responded to a water main break at the corner of MLK and Farm Road where an 8-inch water main was hit causing an immediate drop in pressure throughout the Village. Utility Staff and Contractors worked diligently to repair the break and restore water service as quickly as they could, which was around 7:00 PM. A boil water advisory was issued and 2 rounds of samples were taken to the lab until were confirmed good. Advisory was lifted on Tuesday, November 21, 2023.

- The 2022 Consumer Consumption Report is complete and has been published on our website and is available for anyone who would like to have a copy.
- Started a pilot program with a local company, Beaver EcoWorks, to pre-treat the water at our Water Plant to improve the quality of the water.
- Ivan Campos has earned his Wastewater certification.
- Our newest employee, Megan Levering has completed 6 months in the Utilities Department.
