

About Us

The Village of Indiantown Water & Wastewater Utility operates the general water and wastewater (sewer) services for the Indiantown area. The Village serves residents and businesses both inside and outside of the Village's boundaries located in Martin County, Florida.

Indiantown is a rural community in Florida's Treasure Coast. First established in the early 1900s, then incorporated on December 31, 2017, Florida's youngest municipality hosts a diverse population of roughly 6,000 residents. While it may be small, its resident engagement is exemplary and its potential for community building and new business opportunity is large. The Village mission seeks to enable economic prosperity and business while building pride and cohesion through hands-on self-governance.
